Message: Dear Mr. Musgrove,

My name is Chantel James and I am from Maben, Ms. I got to West Oktibbeha County High School in Maben, Ms. We need lockers in our school but our superintendent said that there is no way we can get them put in. He said that we didnt have enough money. Thing is though that the city schools have lockers. My backpack with all my books in it weighs a good 45lbs. The backpacks are weighing down our backs and have caused some pulled muscles for some students. If there is any way you can contact me or even help us out I would really appreciate it
